Dear Mr. Moss:

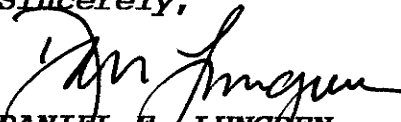

I recently read in the San Francisco Chronicle about your outstanding efforts to clean up graffiti in and around your Barron Park neighborhood and how your actions earned you a formal commendation from the Palo Alto City Council.

As California's Attorney General, I would like to take this opportunity to commend you for your unwavering determination to keep your community free from the unsightly results of graffiti and other vandalism.

Your personal leadership and community involvement provides proof positive that one person can truly make a difference in the conditions of our communities. By organizing anti-graffiti patrols and a \$100 reward program, you and your neighbors are emulating the successful strategies of community oriented policing and problem solving which help to create innovative responses to crime.

Thank you for your continued dedication to the fight against vandalism. Through your actions, you are making many positive contributions to the future of the Barron Park neighborhood, the City of Palo Alto and the State of California. Keep up the great work!

Sincerely,

DANIEL E. LUNGREN
Attorney General
