SUBJECT: 1994 ASTM AWARD OF MERIT

On behalf of the ASTM Board of Directors and the Award of Merit Selection Committee, it is my pleasure to advise you of your selection as a 1994 recipient of the Award of Merit.

You will undoubtedly be interested to know that your nomination for this honor was made by Committee E21 on Space Simulation and Applications of Space Technology.

Your outstanding contributions to the advancement of voluntary standardization are a fine example of the kind of dedication that has helped make ASTM a success.

Again, may I offer my congratulations on this well-deserved honor, and welcome you as a Fellow of the Society.

A handwritten signature in black ink, appearing to read 'C. Ross Thomson', is written over a horizontal line. The signature is fluid and cursive.
